

## Hulbert Road, Bedhampton

Project data

**Client:**  
Cheerhealth

**Value:**  
£ 1.54m

**Duration:**  
42 weeks

**Completion:**  
Aug '10

55a Hulbert Road, Bedhampton was a bungalow on a site adjacent to a nursing home operated by Cheer Health. Having been demolished the new scheme in its place consists of 21 en-suite bedrooms, offices, rest rooms, hairdressers salon and associated landscaping works. It also links into the existing care home to provide seamless care across the whole site. The building is two storey and traditional masonry construction with a traditional cut timber roof with dormers and rooflights. This helped minimise the impact of the scheme on the neighbouring properties.
