

Lewis-Manning Hospice, Poole

Project data

Client:
Lewis-Manning Hospice

QS/PM:
The Edwards Partnership

Architect:
Tektus Stride Treglown

Value:
£ 2.05m

Duration:
48 weeks

Completion:
Dec '11

The project comprises of two phases: the first to refurbish some office space in Constitution Hill Road, Poole in order to provide a temporary home for the hospice whilst construction work on the main project, the second phase, is underway. The main phase of the work provides a new 15 bed hospice on the spectacular Crichel Mount site, overlooking Poole Harbour. This spectacular new building will offer respite, rehabilitation and end of life beds for people living with life threatening illnesses.
