Client:
Lord Wandsworth College

QS/PM:
Mancon Project Management

Architect:
Mancon

Value:
£1.64m

Duration:
52 weeks

Completion:
Jul '11

The scheme at Lord Wandsworth comprises of a new building to house 11 new classrooms, function room, careers library and special needs facilities as well as a separate new Porters Lodge. It has many energy saving facilities such as solar panels to heat the hot water, sun pipes to provide greater natural light and wind catcher units for ventilation. 29 new parking spaces are also being provided.
