Duration:
53 weeks
Completion:
March '12

A spectacular and substantial plot this residential new design & build is situated on the waterfront in the exclusive area of Sandbanks, Poole. Boasting 7,700sq ft of luxurious modern internal living space and a further 2,800sq ft of outdoor space, the breathtaking views stretch across the entrance to Poole Harbour.

The 5 bedroom property has been carefully arranged over four floors, all served by a bespoke lift, with only the highest quality materials used in the build to create the ultimate in internal and external luxury living. Stunning expanses of floor to ceiling glazing encompass the exceptional views.

The contemporary design includes a below ground swimming pool, gymnasium and sauna area fed by natural light shafts alongside a media room. Externally there is a triple garage and car port, decked areas and waterfront seating interfaced with a superior landscaped garden.
